Mission Trip Agreement

For Adult Team Missionaries (18+)

Welcome to the Flood!

Thank you for your interest in participating in a *Flood the Nations* short-term mission project! We know from personal experience that these opportunities bring positive changes to the lives of people we minister to around the world. Many times the biggest changes are produced in our own lives.

It is very important that you read through each area of the application carefully. Missions trips require an investment of your time, talent, and resources. We expect you will enter this decision with thought and prayer. Each mission requires an investment in training, orientations, mandatory team meetings, personal and spiritual preparation, and significant financial investment on your part.

Once you have begun the process, it will become costly for you to back out of it. Airlines, travel agencies, and other organizations that we arrange with will impose cancellation penalties should you decide to withdraw from the mission project. We want you to clearly understand this before you proceed with your application.

The FTN team has been to 20+ countries with 30 years of combined experience participating and leading mission teams. We have the systems in place to make our missions the very best they can be. We provide you with training, equipping, fundraising ideas, and much more. If you have any questions, give us a call. We would love to talk with you.

Are you ready? Then be prepared for God to take you on an adventure to *Flood the Nations* with His love and grace!

In His Flood,

Matt & Kim Tarka
